

Southeast ADA Center

**Your Regional Center for Resources and
Training on the Americans with
Disabilities Act (ADA)**

www.adasoutheast.org

Services We Offer

Highly trained technical assistance specialists answer your questions about the ADA and other disability rights laws, including advice and information on what is required, who is covered, and how to work through ADA-related issues.

ANSWER YOUR QUESTIONS

Answer questions about the ADA by phone or email.

PROVIDE TRAINING

Offer in-person, webinars, web courses, videos, podcasts, conferences, and multimedia.

MATERIALS DEVELOPMENT

Provide accurate ADA materials and information.

REFERRALS

Referrals to regional and national experts for specialized assistance.

CREATE PARTNERSHIPS

Partner with community organizations to teach about the ADA and other disability rights laws.

CONDUCT RESEARCH

Research on the intersection of disability and race as it impacts three ADA-related issues: (a) employment, (b) access to digital technology, (c) long and short-term poverty.

Our Mission

- Help you understand what the ADA means and how it affects our lives.
- Explain how to apply the ADA and use best practices in the situation.
- Encourage partnerships with government, business, and disability communities to work together, increase access, and move closer to the goals of the ADA.

The Southeast ADA Center is a project of the Burton Blatt Institute at Syracuse University

About Us

The Southeast ADA Center is one of 10 regional centers in the ADA National Network. We provide information, guidance and training on the rights and responsibilities businesses, employers, government agencies and people with disabilities have under the Americans with Disabilities Act (ADA).

“This historic civil rights legislation seeks to end the unjustified segregation and exclusion of persons with disabilities from the mainstream of American life.”

-Bob Dole
