The Southeast ADA Center is authorized by the National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR), a part of the Administration for Community Living (Grant#90DPAD0005-01-00) to provide information, materials, and technical assistance to individuals and entities covered by the Americans with Disabilities Act (ADA). However, NIDILRR is not responsible for enforcement of the ADA. Services are intended solely as informal guidance and are neither a determination of your legal rights or responsibilities under the ADA, nor binding on any agency with enforcement responsibility under the ADA.
